ALOCHNAUDD Member Comments Event

How:

Received electronic feedback from our writers.

Details of Member Comments Event:

Every 10 minutes (indicated in parentheses after the word) of comments made by different commenters about a manuscript on its **ALOCHNAUDD** (AAN) project page will unlock a chapter advance within the work. If this milestone is met by multiple writers, we are allowed a period of 1 week between each visual advance if something strange happens to us. Project pages tell where the chapters are listed on **ALOCHNAUDD** (AAN). Milestone numbers can be changed whenever we want and will be reflected in the second number of the current status. Once a milestone is met, it will return back to zero once measured. This is your chance to get a review of your favorite novel!

Current Status:

Astral Walker (20), Final Justice (27), Daughter of Heaven (27)

The Border of the Abyss (27), Above the Clouds (27), Miss Wu (27)

No True Self (27)

These manuscripts already received 100% validation against a
standard set at stage 10 (20%).
